

# FIRST® LEGO® League Championship

## OPTIONAL REFEREE SESSIONS

**Note:** In order to keep the scheduled session below, you must submit *Request a Referee Session* form using the link sent to you (\*see the Team Link sheet) by Friday, Dec. 11 at 8:00 PM (Eastern). One or two referees will be at your Zoom session at that time if you have submitted a form. **Please make sure there are only two team members who are talking to the referees asking the question or explaining their concern.** As would be the case at the tournament, this is a discussion between the two designated team members and the coach may listen in to the discussion. **This discussion should focus on one round that is your best scoring round that can make a difference in your overall rank.**
